

Dear archery friends,

Archery club Kamnik and Archers Association of Slovenia are organising 5<sup>th</sup> consecutive World Ranking Event, Veronica's Cup, which will be held from 24<sup>th</sup> to 26<sup>th</sup> of April 2020.

Our competition is based on providing equal opportunities for all competitors, either national team or club archers, to compete on the same range, under the same conditions, and to fight for the same prizes.

Taking our organising experiences in consideration, as well as city's geographical position, the competition offers archers from all over the world to gain highest level competition experiences in shorter period of time and for moderate costs.

Besides all the things mentioned above, Slovenia as a country has many more things to offer:

- an ideal climate for training camps,
- authentic and exquisite cuisine,
- you can swim in the sea in the morning and climb mountains in the afternoon,
- it is a green destination situated in the heart of Europe,
- the only country with the word LOVE in its name and as a nation we have lots of love for sports.
